

UN AIRLINE RISK ASSESSMENT LIST

CATEGORIZATION OF AIRLINES OPERATING IN
VENEZUELA 22 May 2012

FOR UN INTERNAL USE ONLY - NOT FOR FURTHER DISTRIBUTION

Category A IOSA safety certification

Category B: Adheres to basic regulations but not fully safety compliant.

Category C: Offers only limited or questionable safety measures. Needs UNORG and ATPF constant review.

Category D: Not to be used without new safety assessment have been completed. In exceptional circumstances prior consultation with UNORG's ATPF and Security Focal Point may be granted international flight approval.
